"We are thrilled to share Solaire Resort North with the world," Enrique K. Razon Jr., BRC's Chairman and CEO, stated. "Our goal is to continue setting unparalleled standards for luxury that were first established a decade ago with Solaire Resort Entertainment City."

The new property is set to bolster tourism, create job opportunities, and catalyze economic growth, in alignment with Quezon City's vision. With 526 luxurious rooms, a vast array of electronic gaming options, and multiple levels of casino excitement, the resort promises an unrivaled hospitality experience. Culinary aficionados can anticipate a journey through global tastes with premium dining offerings and a plethora of casual dining and bar selections.

The property's wellness and event spaces are tailored to meet international standards, ensuring that guests enjoy a comprehensive and world-class experience. Additionally, Solaire Resort North takes pride in its family-friendly amenities, including a children's pool area and an interactive Kids Club.

A testament to BRC's pioneering spirit, Solaire Resort North features an exclusive art program that showcases the best of local and international talents, further elevating the cultural ambiance of the resort.

"Solaire Resort North symbolizes our promise to bring the essence of S
our guests, and to acquaint new audiences with our distinct brand," Th
President and COO of BRC, added. "It reflects our unwavering commitn
Filipino spirit, which is evident through the creation of 4,200 jobs as pa
investment in Quezon City."

Solaire's influence extends beyond national borders, gaining recognition as a fully Filipino-owned entity that has garnered global acclaim, setting the stage for Solaire Resort North to contribute significantly to the brand's international reputation.
